

K-Love is the only radio station I listen. I know I will be uplifted and not hear anything offensive. It is a wonderful ministry that reaches so many people that otherwise would not hear the gospel. I hate to think of what would happen if K-Love were displaced by an LPFM broadcaster providing other programming. We as Christians have the right to hear spiritual, uplifting music just as much as non-Christians do to hear their music or other type radio programs. We at least deserve the right to choose which if you take it away we won't have. K-Love is 100% listener funded and that shows there is a large population that wants to hear praise and worship music. Without K-Love my day would not be the same. When I'm driving it helps me feel closer to God. When I'm down it makes me smile. When I'm stuck in traffic, instead of getting mad I just sit back, relax and make the most of the time to hear God's music and enjoy the message. There are so many people who would not have a Christian radio station if K-Love was not on the air. Please do not allow the LPFM stations to take priority over the FM stations. Thanking you in advance for allowing me to express my opinion in this matter and I pray you take this matter under consideration for the thousands of Christian listeners. God Bless YOU!
